

The Hilltop Lakes Lions Club is our local chapter of Lions Clubs International, the largest service club organization in the world.

The international organization has been in existence since 1917, and our local Lions Club was chartered in 1967.

Since being challenged in 1925 by Helen Keller, one of the Lions Club leading areas of service has been eliminating preventable and reversible blindness. Also, Lions Clubs sponsor summer camps for disabled and diabetic children, work with the deaf, sponsor youth exchange programs, and provide scholarships.

The Hilltop Lakes Lions Club conducts fundraisers each year to fund service projects and donations to individuals and charitable organizations. Major fundraisers of this club include: weekly Bingo; an annual Golf Tournament; and the development and sale of the Hilltop Lakes Telephone Directory.
